WHY STORYTELLING?

As we approach our organization's ten year anniversary, the Next Century Cities team is choosing to prioritize the stories surrounding the lived broadband experiences of our members and their communities

OUR VISION

Next Century Cities is a bipartisan, city-to-city initiative dedicated to ensuring the availability of next-generation broadband Internet for all communities

WHO WILL BE IN ATTENDANCE?

150 local leaders, residents, advocates, academicians, Internet service providers, and other practitioners representing NCC member municipalities from across the country
