Broadband Programs

• The Michigan High-Speed Internet Office (MIHI) runs the state’s Realizing Opportunity with Broadband Infrastructure Networks (ROBIN) Grant Program.

• Michigan’s broadband map was developed in partnership with Connected Nation and shows provider-reported broadband coverage.

• In 2023, MIHI plans on releasing a map charting high-speed internet infrastructure in each of Michigan’s 83 counties.

Community Perspectives

• The Michigan Moonshot Program provides RFP templates, survey assistance, Michigan-specific resources, and more to support local broadband efforts.

• Beaver Island | Next Century Cities Files Letter Supporting Proposal to Improve Broadband for Residents and Businesses on Beaver Island, Michigan

• Detroit | Local Digital Equity Champions Share Their Expertise at Net Inclusion 2023 in San Antonio; Digital Equity & Inclusion Resources

• Kent County | Local leaders in Kent County are building a more accurate picture of how much residents pay for broadband and what services are available, as well as the resources and connections necessary to seek out solutions.

• Holland | How Local Governments Are Making the Affordable Connectivity Program Stronger: A Passion for Community Drives Broadband Forward in Holland, Michigan

• Ready, Go! NCC Participates in Annual Michigan Broadband Summit, featuring community voices from across the state.
